REPTON  
CAIRO

At Repton Cairo we provide a sport programme that has a positive influence on all ages and abilities of pupils.

We aim to develop every pupil's interest in sport, from international sporting aspirations to those for whom sport is just part of a healthy lifestyle. Repton Cairo is a place for both and everything in between.

# SPORT FOR ALL

# INSPIRING FUTURE ATHLETES

Our programme of inter-house sport enables all pupils to experience competitive sport on a regular basis. Overseen by a group of experienced and qualified coaching staff, our mandate is to enable potential to be fulfilled at all levels. This level of support guarantees the best possible environment for every pupil to develop their skills, including the very talented.

Talented performers both at junior and senior international level are provided with close personal tutoring and training, and in some cases a tailored academic programme can be developed for their individual needs, to support their sporting ambitions while safeguarding their vital academic development.

IT IS REPTON SCHOOL'S AIM TO

**DISCOVER & DEVELOP  
THE SPORTING & ATHLETIC  
POTENTIAL**

WITHIN EVERY PUPIL, AS PART OF A  
BALANCED & CHALLENGING  
CO-CURRICULUM.

Repton is known for a tradition of inter-house sport. Pupils belong to one of four different Houses and compete to represent that House. The major sport House Finals are always fiercely contested and something to which pupils look forward.

With such a variety of sports on offer, this system allows the vast majority of pupils to represent their House and play a full part in a competitive sport programme.
